

SMISO TREVOR SIMELANE

Final Year BSc Information Technology Student
Potchefstroom, North-West
smisosimelane777@gmail.com | 0676536411

PROFILE

I am a motivated BSc final-year student whose academic and practical experiences have strengthened my skills in programming, system analysis and data analytics. I am particularly interested in software development and also the intersection of business and technology. I am eager to learn and leverage my skills to drive innovation in the technology sector.
